

Follow Jesus Christ

BAPTISM

Teach baptism, covenant promises, and beginning a life of discipleship.

LESSON OBJECTIVE

Help children understand this truth: Baptism is an ordinance and a covenant with Heavenly Father.

5-MINUTE OPENER

Ask children what they already know about baptism. Let two or three children share, then connect their answers to Jesus Christ.

SCRIPTURE MOMENT

Choose one short scripture from this week's Come, Follow Me reading or another passage that clearly teaches the principle. Read it together and ask what it teaches about God and about us.

DISCUSSION QUESTIONS

What does baptism teach us about Heavenly Father or Jesus Christ? How can we live this principle this week? When might it be difficult? Who can help us?

ACTIVITY

Use the matching Papa Awesome Baptism activity or coloring page. Invite children to explain what they drew or chose and how it connects to the gospel principle.

CLOSING CHALLENGE

Invite each child to choose one small action connected to baptism and do it before next Sunday.
