

Talk With Heavenly Father

PRAYER

Teach what prayer is, why we pray, and how answers may come.

LESSON OBJECTIVE

Help children understand this truth: I can talk with Heavenly Father anytime, anywhere.

5-MINUTE OPENER

Ask children what they already know about prayer. Let two or three children share, then connect their answers to Jesus Christ.

SCRIPTURE MOMENT

Choose one short scripture from this week's Come, Follow Me reading or another passage that clearly teaches the principle. Read it together and ask what it teaches about God and about us.

DISCUSSION QUESTIONS

What does prayer teach us about Heavenly Father or Jesus Christ? How can we live this principle this week? When might it be difficult? Who can help us?

ACTIVITY

Use the matching Papa Awesome Prayer activity or coloring page. Invite children to explain what they drew or chose and how it connects to the gospel principle.

CLOSING CHALLENGE

Invite each child to choose one small action connected to prayer and do it before next Sunday.
